I, the below named player confirm that I have read and understood the rules stated on this form and give my consent to the following:

I, understand the potential risk of serious injury or death if site rules (as fully emphasized on this legal document and in safety brief) are violated. The game can be dangerous if not played in accordance with the stated rules which I have read and understood. The possibility of injury to others and myself exists -the environment in which the game is played is hostile and may hold dangers.

I understand and agree to play the game of Paintball entirely at my own risk. I recognize that there are such hazards as fallen branches, trees, animal burrows, holes, roots, depressions, uneven terrain, boundary fencing, gamezone props including cover and other trip hazards ect... I also understand that paintballs fired can bruise and break the skin, cause concussion and that the risk of blindness exists if mask lifting occurs (which is strictly prohibited). I note the inadvisability of wearing jewellery that may become entangled and cause injury during the event. I understand that vehicles are parked entirely at the owner's risk and that valuables should be stored in the lockers provided.

I believe myself to be physically fit and able to participate in the game of paintball. I recognise that a high level of exertion may be required. (Please notify us of any medical conditions that we should be aware of below i.e.: Heart condition, epilepsy, asthma etc..)

I agree that all equipment hired to me will be returned at the end of the event. Should any of the equipment that has been issued to me be damaged or lost, then a charge will be made by Mega Paintball to cover any costs incurred. Any persons found to be taking equipment at the end of the event will be reported for theft.

I confirm and agree that I am fully aware of risks to myself and others involved in the game. I will comply with all the game rules and use the equipment as instructed so as not to injure or hurt others. I will wear face protection and never remove it while in a game area designated as a field of play or firing area.

I hereby release, remit and forever discharge from any claims and liability whatsoever without limitation against the business and associated companies involved in the organisation of this activity, the owner of the business and property on which the game is being played, the organiser of the group which booked the game and any other player in the game who might injure me however arising. I make this release on behalf of my heirs, executors, administrators and myself.
